The Law says we must tell you this.

What do we do with your Information?

We will only share your information if it is done securely and it is necessary for us to do so.

- We may also share your personal information securely to third parties where we are required by law or regulation to do so. This may include:
 - The General Dental Council
 - The Care Quality Commission

How do we store your Information?

Your Information is stored securely at the practice in paper form and on protected computer systems. Computer information is backed up regularly and may be securely stored away from our premises.

We will keep your Information for as long as you are having dental care and treatment from us or ask us to remind you or send you future appointments. Otherwise we will archive it (that is, store your Information without processing it) for as long as the NHS or other trusted experts advise.

Fifteen years from your last contact with us or until you are age 25 if you are 16 and under, or age 26, if aged 17 when treatment finished.
